### Caron Announces Sidewalk Funds for Danielson

**HARTFORD-** State Representative Michael Caron (R-Killingly) today announced that funding for sidewalk replacement and repair had been made available to Danielson through the State Department of Economic and Community Development.

“I am most happy to extend congratulations to you for receiving funds from the State of Connecticut Department of Economic and Community Development to complete a sidewalk repair/replacement project in the Borough,” **Representative Caron** wrote in a letter to members Borough of Danielson Council. “As a resident of the Borough of Danielson and your representative in the state legislature I am very happy to see state funds utilized to benefit my constituents and to also realize some economic benefit to our Central Business District.”

The funds made available through the DECD small cities grant program to the Borough total \$500 thousand.
